

# Foundation Repair

Jan 16, 2011

Dear Sir,

This is a note, a belated one, to thank Paul, and his very hardworking, helpers doing their job of leveling the back bedroom of our house.

They worked outside in the extreme cold of Dec 13th, 2010.

They were efficient, moving along quickly

"Let us come before his presence with thanksgiving."

Psalm 95:2

May the Lord  
bless and keep you

and quietly. . . We were impressed with their skills working with the machinery. We recommend all for your next jobs.

Have a blessed and prosperous New Year. Bob & Jane Selwa
